

HOPE through HOUSING®
FOUNDATION

2022 IMPACT REPORT

This past year, with your help, the Hope through Housing Foundation has invested in the lives and futures of low-income children, adults and seniors – meeting basic needs, providing afterschool programming, offering financial guidance and giving formerly homeless neighbors a place to call home!

2022 marked 30 years that National CORE has been providing quality affordable housing with a belief that onsite resident services are crucial to empowering its residents. And, each day, we witness the impact that our caring Hope team members have on the lives of our residents.

Truly, it is because of supporters like you that this work is possible. Thank you for Believing in Hope!

2022 Achievements

- **572** Youth enrolled in afterschool, teen & mentoring programs
- **720** Residents received economic mobility coaching and/or financial education
- **796** Residents received assistance applying for health and financial benefits and entitlements
